

Join us for the Scaling Up to Finish Strong Workshop

This **free virtual, coach-led strategic workshop** is designed for business owners who want to maximize the value of their company over the next 3-5 years and prepare for future transition — whether that's passing the business on, bringing in investors, or selling outright.

About the Workshop

Are you ready to elevate your leadership and accelerate your company's value? Join us for a transformative session where you'll gain access to **world-class tools and strategies** designed for CEOs and business leaders.

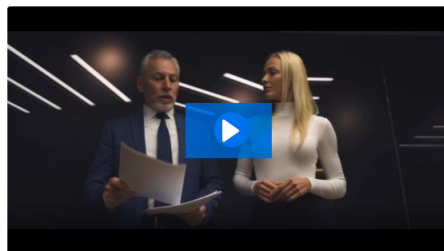

The virtual workshop is led by **Scaling Up Coach, Merin Coutts** who holds an Advanced Scaling Up Certification in Exit & Valuation. You'll also benefit from exclusive video insights from **Verne Harnish**, founder of the global Scaling Up coaching network.

Together, they'll guide you through practical strategies to:

- Identify the 9 value drivers of enterprise value
- Strategize the next 90 days for your business goals
- Strengthen and scale your business today.
- Your Dream Team - Who's on YOUR team to secure a successful exit

You get **ONE** chance to get this right. Let's get you set up for success.

Secure your spot today and take the next step toward building a stronger, more valuable business — one that gives you the freedom to finish strong, on your terms.
