# Your Leadership Vision Alignment Report

**For Test · Leadership Team**

*July 4, 2026*

As of **Jul 4, 2026, 12:25 AM** 2 of 2 invited completed

Version **leadership-vision-alignment-v2**

**CEO — not yet submitted.** No CEO is designated for this campaign. Designate a CEO to see the CEO-vs-team alignment view; the report below shows the team aggregate in the meantime.

## The Company in Three Years — Financials & Scale

We've asked the leadership team what their view is on the future development of the organization. The table below shows what the team aspires the company to be in three years:

| Metric                                                                                  | Mean | TEST ADD<br>TEST ADD | TestDelete<br>MeSmoke | n |
|-----------------------------------------------------------------------------------------|------|----------------------|-----------------------|---|
| What is the company's revenue in three years?                                           | 2.4  | 2.4                  | —                     | 1 |
| What is the gross margin (revenue - / - direct (purchase) cost) in three years?         | 0.3  | 0.3                  | —                     | 1 |
| What is the relative net profit in three years?                                         | 48   | 48                   | —                     | 1 |
| How many customers does the company have in three years?                                | 6    | 6                    | —                     | 1 |
| How many total employees does the company have in three years?                          | 6    | 6                    | —                     | 1 |
| How many permanent employees in three years? (FTE)                                      | 4    | 4                    | —                     | 1 |
| How many part-time / hiring in three years? (FTE)                                       | 3    | 3                    | —                     | 1 |
| How many branches does the company then have in three years?                            | 2    | 2                    | —                     | 1 |
| In how many countries does the company provide its products or services in three years? | 3    | 3                    | —                     | 1 |

## Vision on the Future

We've asked the team to describe what in three years the main products, partners, competitors will be. We also asked what major initiatives were to achieve that success. And of course, we asked for possible reasons why the aspiring goals would not be reached. Here you find the results:

### What are the main products?

|                    |                         |
|--------------------|-------------------------|
| TEST ADD TEST ADD  | TEST                    |
